

# Middle School

...where it all begins!

## Choose your best life

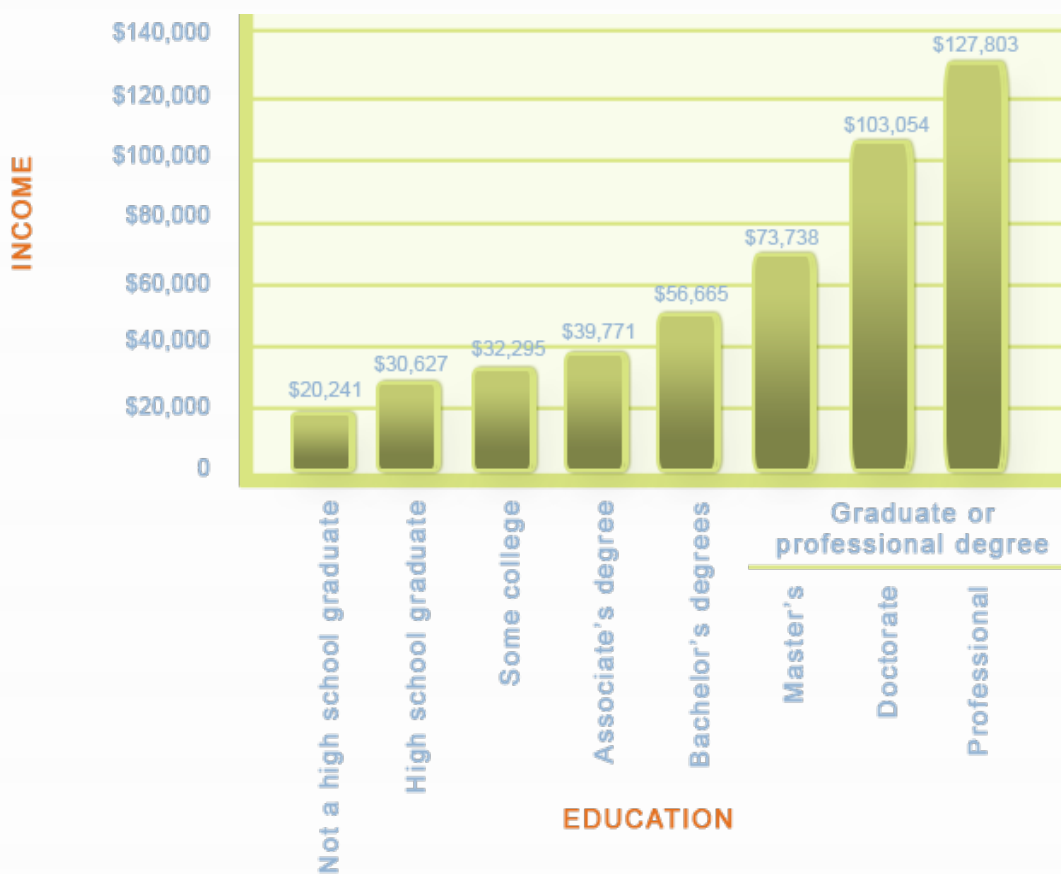

[X](#)

Your score is 17  
*What does that mean?*

Some of your choices are good. You're on the right track. But if you spend some time now trying to improve your choices, IT will pay off for the rest of your life.

Based on your educational expectations, you could earn **\$30,627 per year**. [Read why each choice is important](#), and learn how to make your choices better.
